

**Pioneer Union School District PTO Mini Grants for Teachers**

The mission of the Pioneer PTO is to foster a positive relationship between parents, community and school staff so we can help all students reach their highest educational potential. We will support staff by continuing to help raise funds for supplemental educational materials and experiences. We will provide family and community events that enrich our students and community.

In order to support staff, we are offering Mini Grants for teachers in the Pioneer Union School District. These grants may help fund equipment, programs, or activities that you feel will help your students achieve their highest educational potential. Please fill out the following application, and return to: [pto@pioneerusd.org](mailto:pto@pioneerusd.org).
