

Save the date!

March 18th 5-7 PM
All are welcome! @ Pioneer

Action, Excitement & Learning!

Meet Tombstone from BattleBots: Talk to Ray Billings, the mastermind behind this legendary bot!

EDUHSD Robotics Team Extravaganza: Dive into a thrilling robotics activity and unleash your inner techie!

Happy Sundowner's 4-H Rabbit Project: Learn all about their adorable rabbits!

Green Thumbs Unite: Plant seeds and watch your gardening skills bloom!

Cup Tower Building Contest: Channel your inner architect and compete to build the tallest tower out of cups!

And that's just the beginning! Tons more fun and adventure await!

We could use some help!

Volunteer to help with the STEM activities or sell food and drinks. Sign-up here or visit us online!

Get ready for a **FREE** night of family fun and learning. Skip the dinner hassle; we'll be selling pizza and drinks!

Have a fun idea for a STEM activity or want to help us plan? Contact us by email or visit us online.
